The Beach & Lake is a privately owned Ayurvedic Resort, situated between the serene surroundings of Arabian Sea and the Karamana river, rendering the best Therapeutic and Rejuvenating Ayurvedic programs, and is just within the reachable distance of 8 kilometers south of Trivandrum International Airport.

After entering into a contract with eBrandz for SEO, we started getting several new enquiries which resulted in the significant increase in our business. The staff is very friendly and their responses are very quick.

We are very pleased to recommend eBrandz to our known business partners.

Best regards,
